NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

To Be Held on August 10, 2004

The annual meeting of stockholders of Crown Crafts, Inc. ("Crown Crafts" or the "Company") will be held at the Company's executive offices, located at 916 South Burnside Avenue, Third Floor, Gonzales, Louisiana, on August 10, 2004, at 10:00 a.m., central daylight time, for the following purposes:

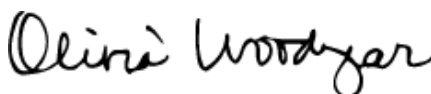

1. to elect three members to the board of directors to hold office for a three-year term;
2. to ratify the appointment of Deloitte & Touche LLP as the independent auditors of the Company for the fiscal year ending April 3, 2005; and
3. to transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

These items of business are described in the attached proxy statement. The board of directors has fixed June 11, 2004 as the record date to determine the stockholders entitled to notice of and to vote at the annual meeting. Only those stockholders of record of Crown Crafts Series A common stock as of the close of business on that date will be entitled to vote at the annual meeting or at any adjournment or postponement thereof.

The board of directors recommends that you vote **FOR** the election of the nominee directors and the ratification of the independent auditors.

IT IS IMPORTANT THAT YOUR SHARES BE REPRESENTED AND VOTED WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING IN PERSON. PLEASE COMPLETE, DATE, SIGN AND MAIL THE ENCLOSED PROXY CARD IN THE ACCOMPANYING RETURN ADDRESSED ENVELOPE, WHICH REQUIRES NO POSTAGE IF MAILED IN THE UNITED STATES. IF YOU LATER DESIRE TO REVOKE OR CHANGE YOUR PROXY FOR ANY REASON, YOU MAY DO SO AT ANY TIME BEFORE THE VOTING BY DELIVERING TO CROWN CRAFTS A WRITTEN NOTICE OF REVOCATION OR A DULY EXECUTED PROXY BEARING A LATER DATE OR BY ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON.

By Order of the Board of Directors,

OLIVIA WOODYEAR
Secretary/Treasurer

CROWN CRAFTS, INC.

**916 South Burnside Avenue

PROXY STATEMENT

This proxy statement and the accompanying form of proxy (which were first sent or given to stockholders on or about July 13, 2004) are furnished to stockholders of Crown Crafts, Inc. ("Crown Crafts" or the "Company") in connection with the solicitation by and on behalf of the board of directors of the Company of proxies for use at the annual meeting of the Company's stockholders to be held at the Company's executive offices, located at 916 South Burnside Avenue, Third Floor, Gonzales, Louisiana, on August 10, 2004, at 10:00 a.m., central daylight time, and any adjournment or postponement thereof.

The annual meeting is being held for the following purposes:

- (i) to elect three members to the board of directors to hold office for a three-year term;
- (ii) to ratify the appointment of Deloitte & Touche LLP as the independent auditors of the Company for the fiscal year ending April 3, 2005; and
- (iii) to transact any other business as may properly come before the annual meeting or any adjournment or postponement thereof.

Record Date; Outstanding Shares; Shares Entitled to Vote

Only holders of record of Crown Crafts Series A common stock at the close of business on the record date, June 11, 2004, are entitled to notice of and to vote at the annual meeting. As of the record date, there were 9,504,937 shares of Crown Crafts Series A common stock outstanding and entitled to vote at the annual meeting, held by approximately 728 holders of record. A list of the Company's stockholders will be available for review at the Company's executive offices during regular business hours for a period of ten days before the annual meeting. Each holder of Crown Crafts Series A common stock is entitled to one vote for each share of Crown Crafts Series A common stock he or she owned as of the record date.

Quorum and Vote Required

A quorum of stockholders is necessary to hold a valid annual meeting. The presence, in person or by proxy, of shares of Crown Crafts Series A common stock representing a majority of shares of Crown Crafts Series A common stock outstanding and entitled to vote on the record date is necessary to constitute a quorum at the annual meeting. Abstentions and broker "non-votes," discussed below, count as present for establishing a quorum.

The affirmative vote of the holders of a majority of the shares of the Company's Series A common stock present or represented by proxy at the annual meeting is required to ratify the appointment of Deloitte & Touche LLP. Directors are elected by a plurality of the votes cast, which means the three nominees who receive the largest number of properly cast votes will be elected as directors of Crown Crafts.

As of the record date for the annual meeting, the Company's directors and executive officers as a group beneficially owned and were entitled to vote approximately 792,215 shares of the Company's Series A common stock, or approximately 8.3% of the outstanding shares of the Company's Series A common stock on that date. This amount excludes approximately 10,310 shares of the Company's Series A common stock held by the members of the immediate families of certain officers and directors of Crown Crafts; these officers and directors disclaim beneficial ownership of such shares.

Voting; Proxies; Revocation

You may vote by proxy or in person at the annual meeting.

Voting in Person. If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the annual meeting. Please note, however, that if your shares are held in “street name,” which means your shares are held of record by a broker, bank or other nominee, and you wish to vote at the annual meeting, you must bring to the annual meeting a proxy from the record holder of the shares authorizing you to vote at the annual meeting.

Voting by Proxy. You should vote your proxy even if you plan to attend the annual meeting. You can always change your vote at the annual meeting. Your latest dated vote before the annual meeting will be the vote counted. Voting instructions are included on your proxy card. If you properly grant your proxy and submit it to the Company in time to vote, one of the individuals named as your proxy will vote your shares as you have directed. If no instructions are indicated on a properly executed proxy card or voting instruction, the shares will be voted “for” the election of all of the director nominees and ratification of the independent auditors.

If other matters properly come before the annual meeting, the shares represented by proxies will be voted, or not voted, by the individuals named in the proxies in their discretion.

You may submit your proxy through the mail by completing your proxy card, and signing, dating and returning it in the enclosed, pre-addressed, postage-paid envelope. To be valid, a returned proxy card must be signed and dated.

If you are not the record holder of your shares, you must provide the record holder of your shares with instructions on how to vote your shares. If your shares are held by a bank, broker or other nominee, that bank, broker or nominee may allow you to deliver your voting instructions by telephone. If your shares are held by a broker, you may also be allowed to deliver your voting instructions over the Internet. Stockholders whose shares are held by a bank, broker or other nominee should refer to the voting instruction card forwarded to them by that bank, broker or other nominee holding their shares.

Revocation of Proxy. You may revoke your proxy at any time before it is voted at the annual meeting by:

- delivering to the Secretary of Crown Crafts a signed notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked;
- granting a new proxy, relating to the same shares and bearing a later date; or
- attending the annual meeting and voting in person.

If your shares are held in the name of a broker, bank or other nominee, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so.

Written notices of revocation and other communications with respect to the revocation of proxies should be addressed to: Crown Crafts, Inc., 916 South Burnside Avenue, Gonzales, Louisiana 70737.

Abstentions and Broker Non-Votes. Shares of Crown Crafts Series A common stock held by persons attending the annual meeting but not voting, and shares of Crown Crafts Series A common stock for which the Company has received proxies but with respect to which holders of those shares have abstained from voting, will be counted as present at the annual meeting for purposes of determining the presence or absence of a quorum for the transaction of business at the annual meeting. Because directors are elected by a plurality of votes cast, abstentions will not be counted in determining which nominees received the largest number of votes cast.

Shares represented by proxies that reflect a broker “non-vote” will be counted for purposes of determining whether a quorum exists. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary

authority to vote the shares. Because directors are elected by a plurality of votes cast, broker non-votes will not be counted in determining which nominees received the largest number of votes cast.

Proxy Solicitation. Crown Crafts will bear the costs of printing and mailing this proxy statement, as well as all other costs incurred on behalf of the Company's board of directors in connection with its solicitation of proxies from the holders of Crown Crafts Series A common stock. In addition, directors, officers and employees of Crown Crafts and its subsidiaries may solicit proxies by mail, personal interview, telephone or telegraph without additional compensation therefor. Arrangements also will be made with brokerage houses, voting trustees, banks, associations and other custodians, nominees and fiduciaries, who are record holders of the Company's Series A common stock not beneficially owned by them, for forwarding these proxy materials to, and obtaining proxies from, the beneficial owners of such stock entitled to vote at the annual meeting. Crown Crafts will reimburse these persons for their reasonable expenses incurred in doing so.

Other Business; Adjournments. The Company does not expect that any matter other than the proposals presented in this proxy statement will be brought before the annual meeting. However, if other matters are properly presented at the annual meeting or any adjournment or postponement of the annual meeting, the persons named as proxies will vote in accordance with their best judgment with respect to those matters.

If you need assistance in completing your proxy card or have questions regarding the annual meeting, please contact Olivia Woodyear at (225) 647-9124 or write to Ms. Woodyear at the following address: 916 South Burnside Avenue, Gonzales, Louisiana 70737.

PROPOSAL 1 — ELECTION OF DIRECTORS

Board of Directors

The board of directors of Crown Crafts is responsible for establishing broad corporate policies of the Company and monitoring the Company's overall performance. However, in accordance with corporate legal principles, the board of directors is not involved in the Company's day-to-day operating matters. Members of the board are kept informed about the Company's business by participating in board and committee meetings, by reviewing analyses and reports provided to them by the Company and through discussions with the chairman of the board and other officers of the Company.

Election of Directors

Pursuant to the bylaws of the Company, the board of directors has fixed its membership at eight directors. The board of directors is divided into three classes of directors, with each class consisting of three members, except Class III, which consists of two members. One class of directors is elected to serve a three-year term at each annual meeting of the Company's stockholders. At this year's annual meeting of stockholders, three Class I directors will be elected to hold office until the 2007 annual meeting.

The board of directors has unanimously nominated E. Randall Chestnut, William T. Deyo, Jr. and Steven E. Fox as Class I nominees for election to the board of directors. Each of these nominees presently serves on the board of directors of the Company.

The proxy holder intends to vote "for" the election of the named nominees unless you have specifically indicated by proper proxy that your shares should be withheld from voting for any or all of these nominees. If at the time of the annual meeting of stockholders any nominee is unavailable or unwilling to serve as a director, the proxies will be voted for the remaining nominees and for any other person designated by the board of directors as a nominee.

Board Committees and Meetings

Currently, the board of directors has two standing committees: the audit committee and the compensation committee. Committee membership and the responsibilities assigned by the board of directors to each of the committees are briefly described below.

The board of directors met seven times during the last fiscal year. The audit committee met twice and the compensation committee met six times during that same period. In addition, the chairman of the audit committee met with the Company's independent accountants three times during the last fiscal year. Each director attended at least 75% of the total number of meetings of the board and committees of which he was a member during fiscal year 2004. Six directors also attended the Company's annual meeting held in fiscal year 2004, and all members of the Board have been requested to attend the annual meeting scheduled for August 10, 2004.

The Company does not have a standing nominating committee or a charter with respect to the nominating process. The board is of the view that such a committee is unnecessary given the relatively small number of directors elected each year and the fact that all directors are considered by and recommended to the Company's stockholders by the full board, which is comprised of a majority of independent directors. If the board appointed such a committee, its membership would consist of the independent directors or a subset of them. To date, all director nominees recommended to the stockholders have been identified by current directors or management, and the Company has never engaged a third party to identify director candidates. The board would also consider any director candidate proposed in good faith by a stockholder of the Company. To do so, a stockholder should send the director candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the secretary of the Company. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership (how many shares of the Company owned and for how long). The board will evaluate candidates based on financial literacy, knowledge of the Company's industry or other background relevant to the Company's needs, status as a stakeholder in the Company, "independence" for purposes of compliance with the rules of the SEC and National Association of Securities Dealers, Inc. and willingness, ability and availability for service.

Audit Committee

The primary purposes and general duties of the audit committee are set forth in the committee's charter and include: monitoring the independence, performance and qualifications of the Company's independent accountants; overseeing the Company's financial disclosure and reporting, including reviewing with management and the Company's independent accountants issues relating to the quality and integrity of the

Company's consolidated financial statements and the related portions of periodic reports and other public disclosures; reviewing with management and the independent accountants the adequacy and effectiveness of the Company's internal controls over financial reporting and disclosure controls and procedures; and reviewing any material arrangements of the Company that do not appear on the Company's financial statements and any significant or unusual transactions or dealings with parties who are related to the Company. Other specific duties of the committee include overseeing, appointing and terminating, as appropriate, as well as approving, all services performed by, the independent accountants of Crown Crafts.

The audit committee currently consists of Drs. Ratajczak (Chairman) and Verbrugge and Messrs. Deyo and Kirschner.

Compensation Committee

The main purpose of the compensation committee is to establish, administer and review the Company's total compensation and benefits policies and programs for the Company's executives. In particular, the committee monitors and reviews the design and implementation of the Company's compensation and incentive plans and reviews, approves and recommends corporate goals and objectives for, and employment and compensation arrangements with, Company executives. Additionally, the compensation committee makes recommendations to the Company's board of directors and its stockholders, as appropriate, regarding incentive compensation plans and equity-based plans and provides oversight of the Company's retirement, welfare and other benefits plans.

The compensation committee currently consists of Messrs. Nie (Chairman), Fox and Payne.

Directors' Compensation

Each non-employee director is paid an annual cash retainer of \$20,000 and committee chairmen are paid an additional \$4,500 annual cash retainer. During fiscal year 2004, each non-employee director also received a cash fee of \$2,000 for each board meeting attended and for each committee meeting held other than in conjunction with a board meeting. For each committee meeting that is held in conjunction with a board meeting, each committee member receives a cash fee of \$1,000. Effective June 8, 2004, each non-employee director will receive \$2,500 for each board meeting attended and an additional \$2,500 for travel time associated with attending the Company's annual meeting. Each non-employee director also receives an option grant to purchase 2,000 shares of the Company's Series A common stock each year.

Directors who are employees of Crown Crafts or its subsidiaries do not receive any compensation for their service as directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), requires the Company's directors, executive officers and persons who own more than 10% of the common stock of the Company to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of the common stock. They are also required to furnish the Company with copies of all Section 16(a) forms they file with the SEC.

To the Company's knowledge, based solely on its review of the copies of such reports furnished to it and written representations that no other reports were required, during the fiscal year ended March 28, 2004, all of the Company's officers, directors and greater than 10% stockholders complied with all applicable Section 16(a) filing requirements.

Code of Ethics

The Company has adopted a code of ethics that is applicable to the Company's chief executive officer and all senior financial officers, including the chief financial officer and principal accounting officer. The complete text of the code of ethics is available on the Company's website at www.crowncrafts.com. The Company intends to post any amendments to or waivers from its code of ethics on its website.

- (3) Ms. Freeman has been President and Chief Executive Officer of Crown Crafts Infant Products, Inc., a wholly owned subsidiary of the Company, since 1999.

Audit Committee Report

The audit committee of the Company’s board of directors is comprised of four directors, all of whom are independent within the meaning of the rules of the National Association of Securities Dealers, Inc. The board has determined that Dr. Donald Ratajczak is an audit committee financial expert within the meaning of regulations adopted by the SEC as a result of his accounting and related financial management expertise and experience. The main function of the audit committee is to ensure that effective accounting policies are implemented and that internal controls are in place to deter fraud, anticipate financial risks and promote accurate and timely disclosure of financial and other material information to the public markets, the board and the stockholders. The audit committee also reviews and recommends to the board the approval of the annual financial statements and provides a forum, independent of management, where the Company’s auditors can communicate any issues of concern. In performing all of these functions, the audit committee acts only in an oversight capacity and necessarily relies on the work and assurances of the Company’s management and independent auditors, which, in their report, express an opinion on the conformity of the Company’s annual financial statements to generally accepted accounting principles.

The audit committee has adopted a formal, written charter, a copy of which is attached hereto as Appendix A, which has been approved by the full board and which specifies the scope of the audit committee’s responsibilities and how it should carry them out. The complete text of the audit committee charter is also available on the Company’s website at www.crowncrafts.com.

The audit committee has reviewed and discussed with the Company’s management the audited financial statements of the Company for the fiscal year ended March 28, 2004. The audit committee has discussed with Deloitte & Touche LLP, the Company’s independent public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. The audit committee has also received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the audit committee has discussed the independence of Deloitte & Touche LLP with that firm.

Based on the aforementioned review and discussions with management and the Company’s auditors, and subject to the limitations on the role and responsibilities of the audit committee described above, the audit

committee recommended to the board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 28, 2004.

This report has been submitted by the audit committee.

Dr. Donald Ratajczak, Chairman
 William T. Deyo, Jr.
 Sidney Kirschner
 Dr. James Verbrugge

Pursuant to the regulations of the SEC, this report is not "soliciting material," is not deemed filed with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended (the "1933 Act"), or the 1934 Act.

- (2) At March 28, 2004, Ms. Samson and Ms. Freeman each held 40,500 restricted shares of Series A common stock with a value of \$22,275. The dollar amounts reported in the table above reflect the value of these shares on the date of grant, June 23, 2003. These shares vest on June 23, 2005. The Company does not expect to pay dividends on these shares.

Employment Agreements

Mr. Chestnut has a Severance Protection Agreement for a two-year term renewable annually (so as to always be effective for two years after each renewal date), unless either party notifies the other of non-renewal in a timely manner, providing for payment of three times his compensation, acceleration of vesting of stock awards, repurchase by the Company of shares acquired on the exercise of stock options if he so elects, a cash payment sufficient to relieve him of any tax liability resulting from excise taxes on the payments to him and

other benefits if his employment is terminated within two years of a Change in Control (as defined) and such termination is without cause (as defined) or for Good Reason (as defined).

Mr. Chestnut, Ms. Samson and Ms. Freeman each have an employment agreement through March 31, 2005, in the case of Mr. Chestnut, and through April 30, 2005, in the case of Ms. Samson and Ms. Freeman, which automatically renews on a monthly basis unless either party to such agreement gives the other party to such agreement one year's advance notice of non-renewal. Each agreement provides for annual salary and performance bonuses, as well as other benefits. If the Company terminates Mr. Chestnut's employment without cause (as defined) or Mr. Chestnut terminates his employment for Good Reason (as defined), then Mr. Chestnut will be entitled to be paid the amounts provided in his Severance Protection Agreement. If the Company terminates the employment of either Ms. Samson or Ms. Freeman without cause (as defined) or either Ms. Samson or Ms. Freeman terminates her employment for Good Reason (as defined), then Ms. Samson or Ms. Freeman, as the case may be, will be entitled to her compensation for the greater of the remaining term of the agreement or one year plus an amount equal to her highest annual bonus for the three prior years. If there is a Change in Control (as defined), then each of Mr. Chestnut, Ms. Samson and Ms. Freeman may, under certain circumstances, elect to terminate their respective employment relationship with the Company and receive the foregoing benefits. Each of the employment agreements contains one-year post-employment non-competition provisions and provides for a continuity of compensation during that period if termination of employment was without cause or for Good Reason.

Report of the Compensation Committee

This report of the compensation committee sets forth the compensation committee's compensation policies applicable to the Company's chief executive officer and its other executive officers.

The compensation committee is currently comprised of three non-employee directors: Messrs. Nie, Fox and Payne. No current member of the compensation committee has ever been an employee of the Company or any of its subsidiaries, and none is eligible to participate in any of the compensation plans that the compensation committee administers other than the Company's Amended 1995 Stock Option Plan, under which each director receives an option grant to purchase 2,000 shares of the Company's Series A common stock each year on the day after the Company's annual meeting of stockholders. The compensation committee has overall responsibility to review, monitor and recommend compensation plans to the board for approval. In

reviewing and approving executive compensation for key executives other than the chief executive officer, the committee reviews recommendations from the chief executive officer.

Policy and Objectives

The fundamental philosophy of the compensation program of the Company is to motivate executive officers to achieve short-term and long-term goals through incentive-based compensation and to provide competitive levels of compensation that will enable the Company to attract and retain qualified executives.

The Company's executive compensation program consists primarily of three components. Of the three, only base salary is fixed. The other two components are incentive-based. The Company provides short-term incentives in the form of bonuses paid to employees pursuant to formulae established by the compensation committee based upon the Company's annual operating results. The Company's Amended 1995 Stock Option Plan provides long-term incentives to Plan participants.

A key objective of the compensation committee is to assure that the total compensation of the Company's executives is competitive. To this end, the compensation committee compared the compensation of the Company's senior executives with the compensation provided to executives in comparable positions at a self-constructed group of peer companies. As the basis for its 2004 competitive review, the compensation committee, with assistance from an independent compensation consultant, determined the appropriate companies to include in the peer group, which included companies in addition to those included in the Company's peer group index that appears in this proxy statement for stock performance purposes. In the committee's view, this analysis helps to ensure that the total compensation provided to the Company's senior executives is set at an appropriate level to reward, retain and attract a talented management team.

The compensation committee meets annually to set goals and establish formulae for the awarding of bonuses, based upon numerous factors, including the Company's projected operating results. The formulae are generally progressive, meaning that lower levels of profitability or sales growth by the Company result in a lower proportion of incentive compensation to pretax income than do higher levels of profitability or sales growth. The compensation committee has reserved the right to alter the formulae at any time to reflect changing conditions.

Short-Term Compensation

Base Salary. The compensation committee targets the base salary for each executive officer, including the chief executive officer, at median market levels for the peer group. Base salaries are reviewed annually by the compensation committee. The compensation committee believes this policy is consistent with the overall philosophy as set forth above.

Short-Term Incentives. The Company provides executives with an opportunity for competitive short-term compensation in the form of bonuses based upon the Company's operating results for the fiscal year. The maximum amounts potentially realizable by the eligible executives are targeted to median bonus levels for the peer group and are earned only if the Company meets or exceeds certain performance objective(s) for the fiscal year. The Company's earnings in fiscal year 2004 were above the minimum level required to earn incentive compensation.

Long-Term Compensation

The Company's compensation program includes long-term compensation in the form of periodic grants of stock options. Long-term compensation is offered only to those key employees who can make an impact on the Company's long-term performance. The granting of stock options is designed to link the interests of the executives with those of the stockholders as well as to retain key executives. Stock option grants provide an incentive that focuses the executives' attention on managing the Company from the perspective of an owner with an equity stake in the business. Stock options are tied to the future performance of the Company's stock and will provide value only if the price of the Company's stock increases after the stock option becomes exercisable and before it expires.

In addition, in fiscal year 2002, restricted stock grants were awarded pursuant to the Company's Restricted Stock Plan to Mr. Chestnut, Ms. Samson, Ms. Freeman and 13 other individuals who were involved in the restructuring of the Company. The Company awarded the remaining 91,000 shares under the Restricted Stock Plan equally to Ms. Samson and Ms. Freeman on June 23, 2003.

Compensation Paid to the Chief Executive Officer

The compensation committee meets annually to evaluate the performance of the chief executive officer. The compensation paid in fiscal year 2004 to Mr. Chestnut was based on the factors generally applicable to compensation paid to executives of the Company as described in this Report.

In reviewing Mr. Chestnut's short-term incentive compensation, the compensation committee reviewed and considered Mr. Chestnut's recent performance, his achievements in prior years, his achievement of specific short-term goals and the Company's performance in fiscal year 2004. Mr. Chestnut's base salary and bonus formula for fiscal year 2004 were approved based on this review process. Mr. Chestnut's bonus formula, which was based on the Company's operating results for fiscal year 2004, resulted in a bonus of \$221,000 for fiscal year 2004.

Additionally, Mr. Chestnut's long-term compensation was determined by considering such factors as the overall long-term goals of the Company, performance trends, potential stock appreciation and actual performance, taking into consideration factors and conditions which affected that performance, both positively and negatively.

Tax Compliance Policy

Certain provisions of the federal tax laws limit the deductibility of certain compensation for the chief executive officer and other executives to \$1.0 million in applicable remuneration in any year. This provision has had no effect on the Company since its enactment because no officer of the Company has received \$1.0 million in applicable remuneration in any year. Nonetheless, the presence of non-qualified stock options makes it theoretically possible that the threshold may be exceeded at some time in the future. In such a case, the Company intends to take the necessary steps to conform its compensation to qualify for deductibility. Further, the compensation committee intends to give strong consideration to the deductibility of compensation in making its compensation decisions for executive officers in the future, balancing the goal of maintaining a compensation program which will enable the Company to attract and retain qualified executives while maximizing the creation of long-term stockholder value.

This report has been submitted by the compensation committee.
