## FOR CIRCULATION TO THE BOARD OF DIRECTORS

December 3, 2007

Board of Directors c/o Randall Chestnut Chief Executive Officer Crown Crafts Inc. 916 South Burnside Avenue Gonzales, LA 70737

#### Dear Randall:

In my last letter to you I asked that the Crown Crafts Board create an independent strategic review committee advised by an outside industry consultant to determine if the Company should continue to make acquisitions, seek a merger partner or seek another alternative. I also asked the Company to make its reply to my request public. In response, I received a form letter blowing me off and implying that you would continue to call the strategic shots at Crown Crafts (CRWS) despite the recent mediocre financial results and a 33% decline in the company's share price.

Certainly, the recently announced Springs acquisition should enhance shareholder value if it lives up to management's expectations. One must wonder however what the longer term outlook is for CRWS when the acquisition announcement was followed almost immediately by an SEC filing posted late on a Friday afternoon revealing that you had established a 10B5-1 program to sell a significant portion of your personal holdings.

I am increasingly upset by the arrogance of you and your Board in continuing to ignore my requests for the formation of the strategic review committee and the elimination of the staggered Board. On the basis of the results of the last election and the communications I continue to receive from large holders, there is no doubt that the decisive majority of CRWS' shareholders share my concerns... I advise you to act on my requests without delay.

Shicerery
