Crown Crafts Reports Fiscal 2023 Second Quarter Results

- Improved year-to-date gross profit of 30.8% of net sales
- Balance sheet remains strong
- Board declares a quarterly dividend of \$0.08 per share

Gonzales, Louisiana – Crown Crafts, Inc. (NASDAQ-CM: CRWS) (the “Company”) today reported results for the second quarter of fiscal year 2023, which ended October 2, 2022.

“Due to our strong relationships with customers and diligent efforts to control costs, Crown Crafts remained solidly profitable in the second quarter despite the expected macroeconomic challenges related to inflation and excess inventories at retailers,” said Olivia W. Elliott, President and Chief Executive Officer of the Company. “Our balance sheet remains strong, and we believe we are well-positioned to withstand the current headwinds and take advantage of future growth opportunities when the markets return to more normal conditions.”

Financial Results

Net income for the second quarter of fiscal 2023 was \$2.0 million, or \$0.20 per diluted share, on net sales of \$18.7 million, compared with net income of \$2.4 million, or \$0.24 per diluted share, on net sales of \$20.2 million for the second quarter of fiscal 2022. Gross profit for the current-year quarter was 29.1% of net sales, down from 30.0% of net sales in the prior-year quarter.

For the six-month fiscal period, net income was \$3.5 million, or \$0.34 per diluted share, on net sales of \$34.4 million, compared with net income of \$5.1 million, or \$0.50 per diluted share, on net sales of \$38.9 million for the first six months of fiscal 2022. Gross profit for the first six months of fiscal 2023 was 30.8% of net sales, up from 27.5% of net sales in the prior-year period. Fiscal 2022 net income was impacted favorably by a pre- and post-tax \$1,985,000 gain on extinguishment of debt related to the forgiveness of the Company’s Paycheck Protection Program Loan (the “PPP Loan”). The prior year also included net sales and a net loss of \$639,000 and \$795,000, respectively, associated with the Carousel Designs business, which ceased operations in May 2021.

Excluding the impact of the PPP Loan and Carousel from the prior-year six-month period, prior-year net sales, gross margin percentage, net income and diluted earnings per share would have been \$38.3 million, 29.8%, \$3.9 million and \$0.38, respectively.

Quarterly Cash Dividend

The Company also announced that its Board of Directors declared a quarterly cash dividend on the Company's Series A common stock of \$0.08 per share, which will be paid on January 6, 2023, to stockholders of record at the close of business on December 16, 2022. "The Board remains confident in the long-term strength of our business as we continue to pursue our growth strategy, which includes expanding our product offerings and making further investments in the Company while maintaining our commitment to reducing operating costs," Elliott said.
